## Remarks

**Come get your piece of serenity in beautiful Springfield Township! This home is completely remodeled inside and out! The home sits perfectly tucked away a private road, step inside and you will find a new kitchen with soft close cabinets, granite countertops w/stainless steel undermount sink, and all new stainless-steel appliances. Recessed lighting throughout the living areas. The bathroom features a floating vanity and walk in shower. Head upstairs to see brand new carpeting throughout both bedrooms and elegant built in dresser storage! The outside of the home features a new roof and gutters and sits on a large lot with outdoor patio and an oversized detached garage with electric! Although you are tucked off the beaten path you are within walking distance of amenities, post office, barbershop, garden center and a bar/restaurant. Home is conveniently located close to Route 212/412, minutes to shopping and close proximity to Rt 309 and I-78. Nothing to do but pack your bags and move in so schedule your showing today this**
